UNIVERSITY of FLORIDA

Dear Members,

It's hard to believe that summer is over. And it's still hot and rainy!! BUT, we know that we receive what we should. So, I will have to take the heat with the rain and just be happy!!!

Our summer camps went wonderful. We had 14 youth in "Campers in the Kitchen" and 60 plus youth in the "International Food, Fun & Fitness". We had UF students from India, Greece and Venezuela. The young people really seem to enjoy meeting and interacting with these students from other cultures. It really is a learning experience. Our "Campers in the Kitchen" learned kitchen basics, kitchen safety, food safety and myPlate nutrition with lots of cooking experiences included.

Our sewing camps didn't fare well this summer. We had 6 sewers in "Tops & Bottoms", but our advanced classes didn't make. Oh, well, there is always next summer and maybe a few one-adventures during the year.

Here are a few reminders from Gloria. Check the last page for details about the State Convention – Celebrating 90 Years of Volunteering. AND if you have any donations for the Bakeless Bake Sale, the Ronald McDonald House or Quilt Tickets sales – they need to be sent in by September 25<sup>th</sup>. The Bakeless Bake Sale donations go to Gloria Jasinski; the Ronald McDonald donations go to Sylvia Coryell, and the Quilt tickets and money go to Kathleen Null. I think Club Presidents should have the address information, but let me know if you need anything.

Just a note – the Nature Coast Hospice in Chiefland on US 19 is looking for Volunteers to work in the thrift store or visiting patients. You will receive CEU's and 25% discount on all items.

It also seems like this might have been a summer of ups and downs with several members being sick and/or hospitalized. I do hope that everyone is back on track and ready to start club meetings. Information about the first meetings is on the back page.

Looking forward to seeing you at the October Council Meeting on October 1.

Sincerely,

*Muriel Turner*

Our summer lunches started off in June at the Quilt Museum. Good homemade food. Two people from Hoover Hospice gave a brief Program and Peggy Rowe won a big purple umbrella. July the Bronson HCE went to Hobo's in Trenton. Had a good turnout.

August was a long road trip to Blue Gator in Dunnellon, but the food was worth the trip. Some of us enjoyed the outside while others stayed in the A/C. They had 14 members including a few husbands.

Our next meeting is Thursday September 18, 2014, refreshments at 9:30, meeting at 10:00. Please be prepared to pay your membership dues as we have no meeting in October, due to our boat trip on the Suwannee.

Evelyn Scaralla broke her arm and is in rehab but is doing well.

Our calling committee, Ginny Herrle and Frances Quesada did an excellent job this summer letting everyone know about our summer lunches. Many Thanks!

See you all in September!!
